Functional Mapping

This document describes and explains the areas of functional responsibility between District Administrative Center (District) and the colleges within Ventura County Community College District (VCCCD), including Moorpark College, Oxnard College and Ventura College. It also includes the District's cross-college communication and advisory structures in the form of committees, councils, and task forces.

Functions that are the responsibility of the District are intended to provide for efficiency and continuity of services and programs. Compliance and functions that are statutorily required are also the responsibility of District operations. The provision of educational programs, student support services, direct campus operations, and various ancillary functions are the responsibility of the colleges.

ACADEMIC AFFAIRS/STUDENTS

District – District Council on Academic Affairs College – Executive Vice Presidents

Curriculum development, as well as provision of academic programs, is the responsibility of the colleges' Executive Vice Presidents. The District Council on Academic Affairs (DCAA): advises the Chancellor and administration through Cabinet and the District Consultation Council regarding instructional program development and related Board policies, administrative procedures, and standard operating practices; DCAA facilitates the coordination of District college programs and reviews institutional offerings for redundancy, growth and development, and discontinuance; and prepares the initial draft of the educational master plan as it relates to instruction and student services. The District Council on Academic Affairs is advised by two District workgroups on academic and professional matters (DTRW-I and DTRW-SS). The workgroups focus on instruction and student services in program development.

BOARD POLICY AND ADMINISTRATIVE REGULATIONS

Board of Trustees

VCCCD is governed by a five-member locally elected Board of Trustees (Board) and a student Board member. The five trustees are elected in even-numbered years to four-year terms by the voters of Ventura County. The Board is responsible for adopting policies that govern the business of the District and its colleges. The Chancellor, the District's Chief Executive Officer, is responsible for carrying out policies approved by the Board.

Development and review of policies and procedures are collegial efforts involving a variety of participatory governance groups. For policies and regulations that affect academic matters, the Board relies primarily on the academic senates; on matters defined as within the scope of bargaining interests, the Board follows the requirements of negotiations. For administrative matters, the Board relies primarily on staff recommendations with input from various constituencies in the development and review process. The general public may comment at public board meetings on any policy consideration before the Board.

The role of the Board is to establish policies and procedures in keeping with the minimum standards established by the Board of Governors of the California Community Colleges, the California Education Code, and Title 5 Regulations. Existing policies and procedures appear in the Ventura County Community College District Board Policy Manual. Operating under Brown Act rules, the Board conducts policy development and administrative oversight of the District through (1) public board meetings, and (2) the delegation of authority to the Chancellor. Through the Board's delegation of administrative authority, the Board holds the Chancellor accountable for the administration of policies adopted by the Board and the conduct of District business (Board Policy 2430). The Board supports District personnel in the completion of their duties and ensures they have the requisite responsibility, adequate resources, and necessary authority to perform their assigned work tasks effectively.

Chancellor

The Chancellor is the Chief Executive Officer of the District and is responsible for the administration of the district in accordance with the policies established by the Board. The execution of all decisions made by the Board requiring administrative action is the responsibility of the Chancellor.

As a multi-college district, the Chancellor, serving as the Board's Chief Executive Officer is the District's chief administrator. With broad discretionary powers, the Chancellor reports directly to the Board and is responsible for overall operations of the District, including all programs and services involving educational development, student learning, human resources, facilities planning, business services, fiscal

affairs, and legislative relations. The Chancellor is responsible for providing policy recommendations to the Board, strategic planning, establishing, and maintaining an effective and efficient organization, educational leadership to the colleges, and for supporting District policies with state and local constituencies.

Vice Chancellor, Business and Administrative Services

The Vice Chancellor, Business and Administrative Services reports directly to the Chancellor and is the Chief Financial Officer for the District. The Vice Chancellor provides leadership and accountability for fiscal management, business services, annual audits, legal and risk management, information technology systems, health and safety concerns, the coordination of federal and state reporting for fiscal and facility operations, and overseeing construction projects funded by the recent general obligation bond issue. The Vice Chancellor, Business and Administrative Services chairs and works with District-wide participatory governance groups and committees and serves as a member of Chancellor's Cabinet executive team and District Chancellor's Consultation Council.

Vice Chancellor, Human Resources

The Vice Chancellor, Human Resources reports directly to the Chancellor and is the Chief Human Resources Officer for the District. The Vice Chancellor, Human Resources provides leadership and accountability for human resources functions, including the development of human resources policies and procedures, labor relations, employee relations, contract administration, staff training and development, benefit administration, recruitment, hiring, classification, compensation, worker's compensation, records management and human resources information systems, and legal compliance. The Vice Chancellor, Human Resources works with and chairs District-wide participatory governance groups and committees, serves as a member of the Chancellor's Cabinet executive team and District Chancellor's Consultation Council, acts as liaison to the Personnel Commission, and serves as chief negotiator for the District, representing the Board.

Presidents

The Presidents are the chief executive officers of the colleges and report directly to the Chancellor. The Presidents are responsible for day-to-day operations of the total college programs and provide leadership and coordination for the college community. The three Presidents serve as members of the Chancellor's Cabinet executive team and District Chancellor's Consultation Council.

The Chancellor has delegated certain powers and duties to the college Presidents. In turn, each President provides leadership and advocacy for his or her campus at both the local and District level and is responsible and accountable for the institution's programs, services, and operations. The

Presidents are responsible to the Chancellor to ensure the appropriate implementation of District policies. Additionally, each college President represents his or her college in the communities served by the college and is responsible for maintaining effective communication among faculty, students, staff, and administration. The Presidents are responsible for working with constituent communities in the review of current District policies and administrative procedures.

Personnel Commission

The Personnel Commission prescribes, amends, and interprets rules and regulations to ensure the efficiency of the classified service, conducts recruitment and selection processes for classified employees, and maintains a classification plan, including conducting classification studies. The Personnel Commission also investigates and hears appeals of permanent classified employees who have been suspended, demoted, or dismissed.

Division of Responsibility

The Board delegates to the Chancellor the executive responsibility for administering the policies adopted by the Board and executing all decisions requiring administrative action. The Chancellor may delegate authority and responsibility for specific functions to each college President. In a decentralized college district, and with the guiding principle that supports and maintains the philosophy of college autonomy, this District is basically structured in such a way that the colleges have primary authority over educational programs and student services functions while the District office has centralized certain functions related to human resources, fiscal and budgetary oversight, construction and capital outlay, and technological support. The relationships are symbiotic as opposed to duplicative. The goal is to provide communication and support collaboration between the colleges and the District. The colleges have broad oversight of instructional responsibilities while the District primarily ensures compliance with applicable statute and regulatory parameters.

BUDGET DEVELOPMENT AND REPORTING

District – Vice Chancellor, Business and Administrative Services Colleges – Vice Presidents of Business Services

The Board delegates budget development to the District under the leadership of the Vice Chancellor, Business and Administrative Services. While the Board retains its fiduciary responsibility for fiscal oversight, the District is responsible for establishing and maintaining the budget, in consultation with the colleges.

The District develops the annual Budget Assumptions and establishes the revenue and District-wide fixed cost budgets. A formula for the distribution of funds to the colleges and other District operations has been established through a participatory process. This formula has been refined annually with input from the District-wide budget development committee comprised of faculty leaders, classified staff, and administrators throughout the District. Once funds are distributed, the colleges and administrative departments are responsible for the planning and budgeting of college priorities as well as the expenditure and monitoring of funds within the constraints of local, state, and federal laws.

The District budget office also maintains position control and provides state budget reporting, attendance accounting, Management Information Systems (MIS), and Integrated Postsecondary Education Data Systems (IPEDS) reporting.

Once funds are distributed, the colleges and administrative departments are responsible for the planning and budgeting of college priorities as well as the expenditure and monitoring of funds within the constraints of local, state, and federal laws. The Vice Presidents of Business Services allocate college discretionary funds to departments, disciplines, and programs and initiate any requirements for new accounts or changes in allocations to accounts that do not affect the overall college discretionary fund.
