

WELCOME TO OXNARD COLLEGE (OC)!

Oxnard College is proud to be celebrating its 30th Anniversary. OC continues to provide higher educational opportunities to our community. We officially opened our doors in June 1975, with approximately 4,000 students enrolled in its first summer session. By the Fall of 2002 the college recorded its highest enrollment with 8,582 students.

The faculty and administrative leadership of Oxnard College over the many years have continuously evaluated and assessed our mission to meet the diverse educational needs of our community. We continue to offer an enriched learning experience through state-of-the-art technology resources and numerous unique programs. We recently opened the Marine Education Center (MEC) at Channel Islands Harbor and during the spring we dedicated a 950-space parking lot to accommodate current and future students.

During the 2005 Summer Session we are pleased to offer four-week, six-week and eight-week sessions for students pursuing "Pathways to Excellence" by earning associate degrees, transferring to four-year universities or by achieving certificates in professional and technical fields. Oxnard College has been successful in signing

Transfer Admission Agreements with many of the University of California and California State University campuses. Career-minded students also benefit from mentorship programs and career-training resources that fully prepare them to compete for jobs in business and industry.

Oxnard College ranks among the Top 100 Colleges Awarding Associate Degrees to minority students, according to Community College Weekly's annual survey. You will find that the faculty and staff at Oxnard College are committed to our student-centered mission to provide "a collaborative, nurturing, safe environment that promotes student success and lifelong learning."

If you are a first-time student, thank you for choosing Oxnard College. I also want to welcome back all those returning students who will continue their educational endeavors at Oxnard College.

Sincerely,

Lydia Ledesma-Reese, Ed.D.
President, Oxnard College

SUMMER 2005 DEADLINE DATES

DEADLINES - Short Term Courses

Dates subject to change. All deadline dates will be strictly enforced. Students who petition for extensions to published dates must have **documented** proof of extenuating circumstances.

During each semester, classes of varying lengths and meeting patterns are offered accounting for differing deadline dates. For that reason, the Oxnard College website has been improved so that you may view the deadline dates on-line for every course offered. Follow these few easy steps to find the deadline dates for your class:

- ◆ Go to www.oxnardcollege.edu/schedule. Scroll down to "Search Webstar" and select "[click here](#)"
- ◆ Select Term, Subject, College.
- ◆ Click Search
- ◆ Click on the CRN
- ◆ Use the scroll bar to view deadline dates and other information specific to that CRN or hit print key.

As a general rule, short-term course deadline dates for all California Community Colleges are determined as follows:

Add/Refund Deadline: 10% of class sessions	No "W" Deadline: 30% of class sessions
Cr/NCr Deadline: 30% of class sessions	"W" Deadline: 75% of class sessions

It remains the responsibility of the student to drop courses by the appropriate deadline.

Before you qualify for a refund/credit of enrollment/health/parking/ASB/Student Rep/Student Center Fees you MUST DROP your classes and return parking permits to the Business Office by the specified deadline date.

**DEADLINE TO APPLY FOR GRADUATION OR CERTIFICATE OF ACHIEVEMENT
FOR SUMMER 2005 – June 23, 2005**

Applications are available in the Counseling and Admissions Offices

VCCCD NOW ASSIGNING STUDENT I.D. NUMBERS!

FLASH!

In Summer 2003, the colleges of the Ventura County Community College District began assigning student ID numbers to replace social security numbers as the primary student identifier. The assigned ID number will appear the first time you enter your social security number on WebSTAR for online registration. It will also appear on printed mailers and notices from the colleges and on faculty attendance, drop and grade rosters. Your social security number will still be collected for such purposes as statistical reporting, financial aid, and Hope Scholarship Tax Credit reporting, and it will appear on your official transcript.

Although you will still be able to access your records using your social security number, the use of a student ID number will provide you with additional security and confidentiality.

EVALUACIÓN ACADÉMICA

Entienda sus talentos académicos y seleccione las clases que los complementan

Las Sesiones para la evaluación académica son conducidas en grupo por especialistas de matriculación. Sus intereses, historial académico, preparación, habilidades, horario de trabajo, y otros criterios son evaluados para ayudarle a tomar buenas decisiones respecto a su carrera académica. Todas las evaluaciones académicas tendrán lugar en el edificio LRC, en el salón 5A.

LA ORIENTACIÓN

Llegámonos a conocer

Las Sesiones para la orientación del estudiante proveen información acerca de matriculación, el proceso de inscripción, asesoría, evaluación académica, y servicios disponibles para los estudiantes. La orientación tanto como la evaluación académica se llevan a cabo en el edificio LRC, en el salón 5A.

ASESORÍA EN GRUPO

Planeando sus clases

Con la ayuda de consejeros, los estudiantes desarrollan su plan académico para un semestre, el cual incluye una lista de clases para elegir durante la registración. Si usted necesita ayuda adicional, puede hacer una cita con un consejero individualmente o en grupo. Consultas sin cita son disponibles para resolver algunas preguntas rápidas. El centro de consejeros está localizado en el edificio LRC, en el salón 22.

INSCRIPCIÓN

Selección sus clases para el primer semestre e inscribase en ellas

Usted tiene la responsabilidad de formular su horario de clases e inscribirse en ellas. Hay dos maneras de inscribirse en sus clases: inscripción por teléfono, o en persona. Los estudiantes que se inscriben por primera vez no pueden inscribirse por teléfono al menos que hayan completado la matriculación, o que sean declarados exentos (que tengan permiso) por la oficina de matriculación. A las personas sin cita se les atiende en la orden que van llegando a la Oficina de Admisiones y Registros en el edificio LRC.

CUOTAS

Las cuotas deben de pagarse al inscribirse

Es su responsabilidad pagar todas las cuotas correspondientes al inscribirse. Si a usted lo dan de baja en alguna clase por no pagar sus cuotas, el Colegio puede hacerlo a Ud. responsable por pagarlas. Las cuotas no pagadas siguen siendo su responsabilidad y pueden resultar en restricciones que pueden prevenir la entrega de su historial académico o de sus calificaciones, y hasta podría prohibirle la inscripción en el futuro.

EL RETIRARSE DE CLASES

Es responsabilidad del estudiante tomar las medidas necesarias antes de la fecha límite establecida para retirarse de una clase. Los formularios para este propósito están disponibles en la Oficina de Admisiones y Registros. Si usted se inscribe en una clase, jamás asiste, ni se retira de la clase oficialmente, le corresponderá pagar las cuotas. Ud. puede retirarse de sus clases por medio de STAR/web: www.vcccd.net/webstar.

ASISTENCIA CONTINUA

Proveyendo ayuda

Después de matricularse, el colegio seguirá ofreciéndole servicios a través del sistema "Early Alert" (alerta académica temprana) y el Departamento de Consejería. El personal de matriculación se mantendrá en comunicación con usted durante el semestre para asistirle si está indeciso en su carrera, si está inscrito en clases básicas, y para ayudarle a realizar sus metas en el colegio de Oxnard. Finalmente, puede ver a un consejero si tiene preguntas personales, académicas, o acerca de su carrera. Citas pueden hacerse en el salón 22 del edificio LRC.

IMPORTANT NOTICE REGARDING PAYMENT OF SUMMER 2005 FEES

All fees are due immediately. However, due to the shortened length of the Summer 2005 session, Oxnard College has decided to temporarily suspend the practice of dropping students for nonpayment of fees. Please note that fees are still due immediately. Failure to pay summer fees will result in the suspension of registration privileges and a hold being placed on grades, transcripts, registration, and other records. It remains your responsibility to officially drop a class. Remember that summer sessions are very short and the refund period is generally only two (2) days. If you drop after the refund deadline, you will still be responsible for all fees owed.

CLASS DROPS

Dropping a class is your responsibility. It is not your instructor's responsibility. If you must drop a class, be sure to drop within the established deadlines. If you've enrolled in a class, have never attended the class and have never dropped it, you are still responsible for the fees incurred. **You may drop your class on STAR/Web: www.vcccd.net/webstar or (384-8200).**

FOLLOW UP

Providing Assistance

After enrolling, you will continue to receive follow-up services through the Matriculation Early Alert system and the counseling department. The counseling department may contact you to assist you if you are undecided about your major, are enrolled in basic skills classes, or to help you achieve your goals at Oxnard College. In addition, you may opt to see a counselor at any time if you have personal, academic, or career concerns. Appointments can be scheduled in Room 22 of the LRC Building.

SUMMER 2005 DISTANCE EDUCATION

If you are a self-starter and work well on your own, telecourses can give you access to transferrable general education classes that can fit your schedule. Telecourses meet less often than standard classes, with additional time used for viewing video on different topics. Typically, you will watch 26 half-hour episodes during a semester, or a little less than an hour a week.

If you live in Oxnard or Port Hueneme, watch your course on Oxnard College Television, OCTV; on channel 24, Adelphia; or on channel 15, Americast. Tapes may be viewed in the Learning Center on the second floor of the Library until 9 p.m. Monday through Thursday. Or, you may rent a set of videos from an outside company for about \$60 for the semester.

To find out more about telecourses, contact the instructor, the Liberal Education Office at (805) 986-5804, or OCTV at 986-5817.

Your application for admission must be on file before you can register for classes. Applications for admission to Oxnard College are available year-round and can be filed at any time with the Admissions and Records Office in the LRC Building or on the web @ www.oxnardcollege.edu/apply.

Before submitting your application, please make certain you have provided at least two full years of residence information (see details below). Not providing sufficient residence information may mean a delay in processing your application. Once your application is submitted to the Admissions and Records Office, you will be directed to the Matriculation Office located in LRC-6 to receive an overview of Oxnard College's matriculation process.

Questions regarding application for admission, residence requirements, or registration procedures should be directed to the Admissions and Records Office at 986-5810.

RESIDENCY REQUIREMENTS

California state law requires each student enrolled in, or applying for admission to, a California community college to provide the information and evidence deemed necessary by the VCCCD Board of Trustees to determine his/her residence classification.

Students 19 Years of Age or Older

A student 19 years of age or older may establish residency by meeting the following requirements:

1. Verify physical presence in California one year prior to the day before the start of the semester. Residency is determined by union of act and intent. The one-year period begins when the student is not only present in California, but also has demonstrated clear intent to become a permanent resident of California.
2. Clearly verify an intent to make California a permanent place of residency by:
 - A. Primary Determinants
 - filing California state tax as a resident
 - possessing California motor vehicle license plates and registration
 - possessing a valid California driver's license or a Department of Motor Vehicles ID card
 - registering to vote in California
 - B. Supplemental Determinants
 - showing California as a home address on federal tax forms
 - being a petitioner for divorce in California
 - obtaining a license from California for professional practice
 - establishing and maintaining active California bank accounts
 - owning residential property
 - holding active membership in service or social clubs
 - having spouse, children, or other close relatives reside in California
3. Not be involved in conduct inconsistent with a claim of California residency. Some examples of inconsistent conduct which nullify intent are:
 - maintaining voter registration in another state
 - being a petitioner for divorce in another state
 - attending an out-of-state institution as a resident of that state
 - declaring nonresidency for state income tax purposes
 - retaining a driver's license and/or keeping a vehicle registered in another state during the time period for which California residence is claimed

No one factor is controlling. All criteria must be met. The responsibility for establishing residence lies with the student and proof must be presented.

Students Associated with the Armed Forces

Students who are members of the armed forces of the United States stationed on active duty in California shall be entitled to resident classification (Education Code 68075.1). **Spouses and dependents** of military personnel shall be entitled to resident classification until they have resided in the state the minimum time necessary to become a resident (Education Code 68074).

Further information regarding residency is available from the Admissions and Records Office at 986-5810.

Philosophy of the College

Wise I may not call them; for that is a great name that belongs to God alone-lovers of wisdom or philosophers is their modest and befitting title. --Socrates

Oxnard College is dedicated to the philosophy of providing educational programs that develop individual abilities, strengthen human relationships, enhance community life, and heighten global consciousness. We recognize that the process of education is a process of exploration that depends on mutual responsibility.

The College schedules programs that reflect changing local, national, and international needs. Dedicated professionals create an environment that stimulates intellectual curiosity, nurtures learning, and develops an understanding of society and how individuals can influence its workings. The students develop self-understanding, pursue educational objectives, and ultimately stand accountable for their own progress.

3. Take the signed Audit Form to the Admissions and Records Office for processing during the last two days of the Program Adjustment period.

2. The Audit Form is accepted only during the last two days of the published add/drop period.
3. Enrollment in any audited course may not be changed in an attempt to receive credit for the course.
4. Audited courses may not be challenged at a later date in order to receive credit for the course.

5. If you audit a course, you may not take the class exams.
6. Instructors are under no obligation to grade assignments of students auditing a course.

Students enrolled in classes to receive credit for ten or more units shall not be charged a fee to audit three or fewer semester units.

Courses Open to Enrollment

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by the state.

Credit by Examination

Each division of the college determines the courses for which credit by examination may be granted. This list is maintained in the Office of Student Learning. Units which are earned through credit by exam to establish eligibility for athletics, financial aid, and veteran's benefits are subject to the rules and regulations of the external agencies involved. If you wish to petition for credit by examination, you should make an appointment with a counselor. Do not enroll in the class you are attempting to challenge. Credit by examination may only be granted if you are currently enrolled in at least one credit course at the college, have completed 12 units in residence in the colleges of the VCCCD, are not on academic probation, have submitted transcripts of all previous course work, have not earned credit in more advanced subject matter, have not been or are not currently enrolled in the subject course as an auditor, and have not received a grade (A, B, C, D, F, CR, NC or equivalent) in the course for which credit by exam is being petitioned. Approved petitions for credit by exam must be on file with the administering instructor. The exam must be administered prior to the last day of the session for which you are enrolled. A grade of "CR" or "NC" will be given for the exam.

Credit/No Credit Grading Option

Some courses have a "credit/no credit" grading option available to students. Check the college catalog (not the schedule) to see whether the course you are enrolling in has this option. If it does and you choose this option, you must complete a Request for Credit/No Credit form available in the Admissions and Records Office. This form must be returned to the Admissions and Records Office by no later than the first 30% of the class. By exercising this option, you will receive a grade of "CR" which denotes work equivalent to a letter grade of "C" or better. A maximum of 20 units of "CR" may be applied to an AA or AS degree or a certificate of achievement. Units earned on a credit/no credit basis may not be used to calculate grade point averages. However, units attempted for which NC is recorded shall be considered in probation and dismissal policies. You should be aware that other colleges and universities may restrict the acceptance of courses taken on a credit/no credit basis, especially in satisfaction of major or general education requirements. Consult your counselor for more information.

Course Repetition Policy

Regulations of Title V of the California Code of Regulations strictly limit how many times you may repeat courses. Ordinarily, you may not repeat for credit any course which you have completed previously with a satisfactory grade (C/Cr or better). The college catalog identifies those courses which may be repeated for a specific number of times. (Petition for Course Repetition forms are available in the Counseling Office.)

Course Prerequisites, Corequisites, and Recommended Preparation

A course prerequisite indicates the preparation which is required to complete a particular course successfully. For example, if you enroll in general chemistry, you are likely to have difficulty in the course without adequate preparation in algebra.

A course corequisite indicates the course or courses in which you must be concurrently enrolled in order to succeed in a specific course for which you are registered.

Recommended preparation indicates the preparation suggested by the faculty to complete a particular course successfully. While encouraged to do so, you do not have to satisfy recommended preparation guidelines to enroll in a course.

Course prerequisites, corequisites, or recommended preparation are specified within course descriptions announced in the catalog; they are also specified in this schedule of classes. A course has no prerequisites or corequisites unless so designated. You are expected to have satisfied the prerequisite or corequisite requirements for all courses in which you enroll.

If you have the equivalent past experience, have completed appropriate course work, or desire to challenge the validity of a prerequisite/corequisite, the state law permits that process. The petition for the aforementioned challenge is available in the Counseling Office. The challenge process requires you to show specific grounds for waiving the prerequisite or corequisite. The grounds you may use to pursue a challenge are as follows:

1. You will be subject to undue delay in attaining the goal of your educational plan because the prerequisite or corequisite course has not been made reasonably available.
2. The prerequisite or corequisite is not valid because it is not necessary for success in the course for which it is required.
3. The prerequisite or corequisite is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.
4. You have the knowledge or ability to succeed in the course despite not meeting the prerequisite or corequisite.

Full-Time Status

You are a full-time student if you are registered in 12 units or more in a regular semester; 4 units or more in a summer session.

Dropping a Class or Withdrawing From School

You may drop a class by using one of the three methods listed below:

Students may take up to seven college units (seniors in their final semester may take 12 units, but are NOT exempt from the enrollment fees). Units may apply toward certificate or degree programs and may transfer to other colleges and universities.

High School Advanced Placement Students must submit the Advanced Placement petition from their high school and receive registration instructions at the Admissions Office. Once admission is granted, the student must complete the three matriculation activities of orientation, assessment and advisement. All activities must be completed prior to the beginning of walk-in registration.

If you are below the 11th grade you must provide a letter from your parent and principal explaining how you will benefit from the class. You and your parent will interview with the Dean of Student Services, 986-5847.

Additional information is available from the Counseling Center, 986-5816, or Admissions and Records, 986-5810.

Maximum Units Allowed

You may register for up to 19.5 units in a regular semester (9 units for Summer) without obtaining the approval of a counselor. An Academic Overload Petition is required to exceed these maximum units. Forms are available in the Counseling Office.

Outstanding Obligations

If you owe course enrollment fees, library fines, bookstore charges, financial aid loans, or student fee installment agreements from past semesters, you must clear these obligations before you begin registration. A "hold" will be placed on your student records until you pay all outstanding obligations in full. Please pay your obligation amounts at the Student Business Office located in the Bookstore, or with a Visa or Mastercard online at vccd.net/webstar

Requesting Your Oxnard College Transcripts

You may request official copies of your Oxnard College transcripts (**form available at www.oxnardcollege.edu/transcripts**) by completing and submitting a Transcript Request form at the Admissions Office. Requests are also accepted by mail, providing they include all of the following information:

The first 2 transcripts that you ever request are free of charge. Unofficial copies are \$1. Pay your transcript fees at www.vccd.net/webstar or the Student Business Office. You may view your transcript at www.vccd.net/webstar.

Transcripts – Incoming From Other Colleges

1. All new students are required to forward their high school transcripts if they have attended high school in the past three years.
2. All veterans and financial aid students are required to forward transcripts of any courses completed at other colleges and universities.
3. All students enrolling in any math courses are required to forward transcripts of any math courses completed either in high school or at other colleges and universities during the past three years.
4. All applicants for associate degrees and/or certificates of achievement are required to forward transcripts of any courses completed at other colleges and universities.
5. Programs with special admissions requirements such as varsity athletics require a student to file all high school and college transcripts to verify eligibility.
6. All other students are urged to have transcripts of both high school and college work forwarded to Oxnard College.

Veterans' Affairs

The Veterans' Readjustment Act of 1966 (PL 89-358) provides educational assistance for veterans who served on active duty for a period of more than 180 days. The monthly basic educational assistance allowance for training may be paid on a full-time (12 units), three quarter-time (9 units), or half-time (6 units) basis.

All veterans receiving Veteran's Educational Benefits are required to:

1. Submit to the Admissions and Records Office official academic transcripts from each college previously attended,
2. Complete a Student Educational Plan (SEP) with a VA college counselor and submit the SEP to the VA representative in the Admissions Office.

Courses will not be certified for VA benefits until this is completed. Only courses that meet requirements for the major and degree objective indicated on the SEP will be certified for payment. If the educational objective is changed, the student must complete a new SEP and report to the Veterans' Assistant to update the 22-1995 form. Veterans must request enrollment certification each semester, if they want to continue to receive benefits.

In addition to the academic probation and dismissal standards applicable to all students, the Veteran's Administration requires that standards of progress be adopted for Certification of Educational Benefits. The Admissions and Records Office will notify the VA that satisfactory progress is not being made and will not certify educational benefits eligibility if the veteran has been dismissed due to academic or progress probation regulations.

Credit may be granted for regular training courses completed at a military base during a term of military service based on the recommendations of the American Council on Education (ACE), and for approved courses completed with the United States Armed Forces Institute.

In order to receive credit for military training, Veterans must see a Veteran's Counselor and present authentic military service and training records (DD295) and/or a copy of their discharge paper (DD214).

Under existing Veterans' Administration regulations, a student repeating a course is not eligible for veterans' benefits in most cases. Veterans should, therefore, check with the Veterans' Assistant in the Admissions Office before repeating a course.

Ventura County Community College District COMPLAINT PROCEDURE FOR HARASSMENT/DISCRIMINATION

Members of a college community—students, faculty, administrators, staff, and visitors—must be able to study and work in an atmosphere of mutual respect and trust. Ventura County Community College District is actively committed to creating and maintaining an environment which respects the dignity of individuals and groups.

The goal of Ventura County Community College District is to be sensitive to the needs of students, staff and those who interact with the college community, while preserving the rights of those against whom allegations have been made.

Employees or students of the District who feel that they have been harassed or discriminated against based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability have the right to file a complaint. The procedures outlined govern the process for all discrimination complaints filed by employees or students, including sexual harassment. Complaints may be filed student against student, student against employee, employee against student, employee against employee, visitor against employee, employee against visitor, etc.

Complaints must be filed with the District within one year of the alleged harassment or discrimination or within one year of the date on which the Complainant knew or should have known of the facts of the alleged incident.

District employees involved in any aspect of investigating or resolving a complaint of harassment or discrimination will have received training from a qualified source in advance of their service.

Non-retaliation for filing—no individual will suffer retaliation as a result of filing a claim or being a witness in regard to harassment/discrimination allegations. Persons engaging in retaliation are subject to disciplinary action.

DEFINITIONS

Complainant: An individual who believes that he/she has been the victim of harassment or discrimination.

Respondent: An individual against whom a claim of harassment or discrimination is made.

Complaint: A written allegation that a student, staff member, or other individual who interacts with VCCCD has subjected someone to harassment or discrimination.

Responsible District Officer: The person at the District who is responsible for coordinating the investigations of all harassment and discrimination complaints.

Intake Facilitator: The person on the campus or at the District Service Center who is responsible for conducting the informal and/or formal investigation of all harassment/discrimination complaints.

The District has established the following procedures to resolve charges of harassment or discrimination.

INFORMAL PROCESS

An individual who has reason to believe that he or she has been a victim of harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, marital status, veteran status, or physical or mental disability may resolve the matter through an informal process under this procedure. Participation in the informal process is optional and not a prerequisite to filing a formal complaint.

1. A person who believes that he or she has personally suffered harassment or discrimination should contact the appropriate Intake Facilitator at their location to directly discuss his or her concerns.
2. The Intake Facilitator may inform the Respondent of the possible complaint and shall meet with the Complainant to:

- a. understand the nature of the concern;
 - b. give to Complainant a copy of the District's Sexual Harassment Policy brochure and this "Complaint Procedure for Harassment/Discrimination" document;
 - c. inform Complainant of his or her rights under this complaint procedure;
 - d. assist the Complainant in any way advisable.
3. If the Complainant and the Respondent agree to a proposed resolution, the resolution shall be implemented and the informal process shall be concluded. At any time during the informal process, the Complainant may initiate a formal complaint.
 4. The Intake Facilitator shall keep a written log of discussions and a record of the resolution. This information shall become part of the official investigation file if the Complainant initiates a formal complaint. If the parties reach a tentative agreement upon resolution of the complaint, a letter summarizing the resolution shall be sent to the Complainant and the Respondent. A copy of this letter shall be sent to Human Resources for approval.
 5. Once a complaint is put in writing and signed by the Complainant, the Complaint is considered to be formal and the formal complaint procedures should be followed.

FORMAL PROCESS

1. A person who alleges that he or she has personally suffered harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability shall complete and sign the District's Harassment/Discrimination Complaint Form within one year of the alleged incident or within one year of the date on which the Complainant knew or should have known of the facts of the harassment or discrimination incident.
2. On the complaint form, the Complainant shall describe in detail such alleged harassment or discrimination and the action the Complainant requests to resolve the matter. All written complaints shall be signed and dated by the Complainant, and shall contain at least the name(s) of the individual(s) involved, the date(s) of the event(s) at issue and a detailed description of the actions constituting the alleged harassment or discrimination. Names, addresses and phone numbers of witnesses or potential witnesses should also be included, when possible.
3. The Intake Facilitator will review the complaint to determine whether it describes the kind of harassment or discrimination which is prohibited under these procedures and whether the complaint sufficiently describes the facts of the alleged misconduct. If the complaint does not describe the kind of prohibited conduct the District investigates under the procedures, the Complainant will be notified and will be referred to the appropriate process. If the complaint does not sufficiently describe the facts giving rise to the complaint so that a determination can be made regarding whether the alleged misconduct is covered under these procedures, the complaint will be returned and the Complainant will be invited to submit an amended complaint providing enough factual detail to allow the above determination to be made.
4. After a proper complaint is received, the Intake Facilitator shall investigate the charges as stated in the complaint. The Intake Facilitator shall send a copy of the complaint to the Responsible District Officer, who, after consultation with the Vice Chancellor of Human Resources and the District Chancellor, shall send a copy to the State Chancellor of the California Community College System. A summary of the complaint and procedures shall also be sent to the Respondent. A copy of the complaint will be maintained in the Office of Human Resources at the District Service Center.

5. The Intake Facilitator shall meet with the Complainant to review the nature of the complaint and identify the scope and nature of the investigation. If the Complainant fails to meet with the Intake Facilitator within a reasonable time (usually 10 working days), the Intake Facilitator will continue the investigation to the best of his/her abilities based on the written formal complaint. After meeting with the Complainant, the Intake Facilitator shall give the Respondent an opportunity to meet with him/her to receive the Respondent's answer to the complaint and to review with Respondent the scope and nature of the investigation. Complainant and Respondent may inform the Intake Facilitator of witnesses to contact and may present documents in support of their positions.

6. Prior to completing the investigation, the Intake Facilitator shall meet again with the Complainant and the Respondent separately, to give an overview of the steps taken during the investigation, to ask Complainant and Respondent for the names of any other individuals the Intake Facilitator might speak with to request any additional information.

7. The Responsible District Officer shall determine whether harassment or discrimination did or did not occur with respect to each allegation in the complaint. The findings shall take into consideration the severity of the conduct, the pervasiveness of the conduct, the pertinent background, and other relevant District policies.

If disciplinary action is recommended, appropriate contractual due process and statutory processes will be invoked. If the Responsible District Officer finds there is no evidence to sustain the allegation, the record shall be kept confidential, except to the extent that disclosure may be required by law. The records will be destroyed to the extent the law allows.

After completion of the investigation, the Intake Facilitator shall meet with the Responsible District Officer who shall be responsible for reviewing the Intake Facilitator's report, making factual determinations, reaching a conclusion regarding the charges, and recommending appropriate action, if any.

8. In the event the complaint is against the Responsible District Officer, the Vice Chancellor of Human Resources shall appoint an investigator to review the complaint. In the event the complaint is against the Vice Chancellor of Human Resources, the District Chancellor or designee shall appoint an investigator to hear the complaint, receive the report, and make a determination on any final action.

9. The District shall complete its investigation and forward to the Complainant and Respondent within 90 calendar days of receiving a complaint, and the Chancellor of the California Community College System within 150 calendar days of receiving a complaint, all of the following:

- a. A summary of the investigative report;
- b. A written notice setting forth:
 - (1) the findings of the District investigator and District Chancellor as to whether harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability did or did not occur with respect to each allegation in the complaint;
 - (2) a description of actions to be taken, if any, to remedy any discrimination or harassment that occurred and to prevent similar problems from occurring in the future;
 - (3) the proposed resolution of the complaint;
 - (4) the Complainant's right to appeal to the District Chancellor, then the State Chancellor of the California Community College System; and
 - (5) In the event disciplinary action is recommended for the Respondent, he/she shall be entitled to all due process procedures provided by statute and/or the employee collective bargaining agreement.

APPEAL RIGHTS

If the Complainant is not satisfied with the results of the formal level administrative determination, the Complainant may appeal the determination by submitting objections to the District Chancellor within fifteen calendar days of the receipt of the determination. Within forty-five calendar days of receiving the Complainant's appeal, a copy of the final District decision rendered by the District Chancellor shall be forwarded to the Complainant, the State Chancellor of the California Community College System, and, if appropriate, the Respondent.

If the District Chancellor does not act within forty-five calendar days, the administrative determination shall be deemed approved and shall become the final District decision in the matter. Complainant shall have the right to file a written appeal with the State Chancellor of the California Community College System within thirty calendar days after the District Chancellor has issued the final District decision or permits the administrative determination to become final.

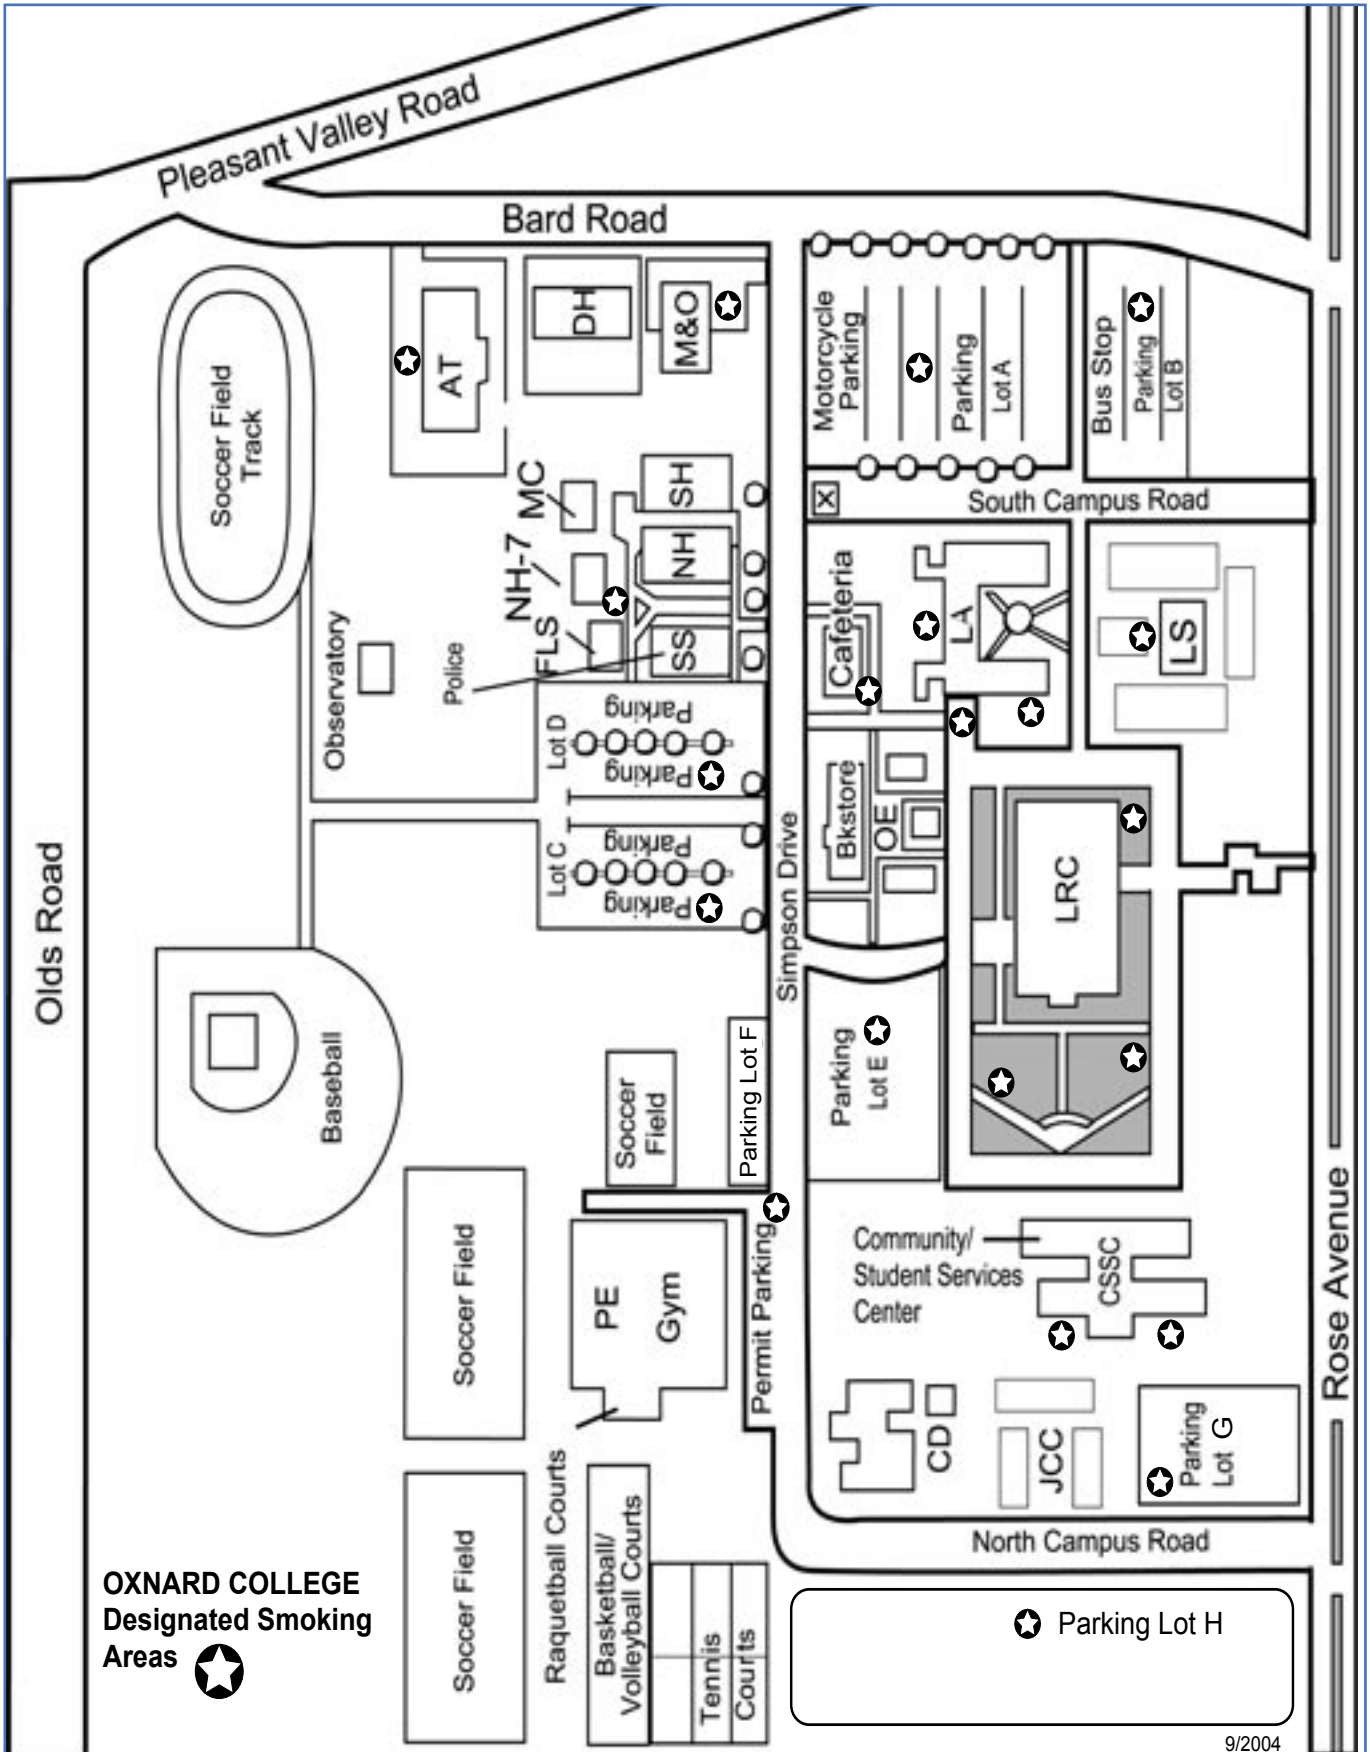

HOW TO FILE A HARASSMENT OR DISCRIMINATION COMPLAINT

4. A person who alleges that he or she has personally suffered harassment or discrimination based on race, color, national or ethnic origin, age, gender, religion, sexual orientation, veteran status, marital status, or physical or mental disability, or one who has learned of such unlawful harassment or discrimination, shall invoke the procedures described above.
5. An individual may also file a complaint of unlawful discrimination with the Equal Employment Opportunity Commission, 2014 "T" Street, Suite 210, Sacramento, CA 98514, the United States Department of Education, Office of Civil Rights, 50 United Nations Plaza, Room 239, San Francisco, CA 94102, or the Department of Fair Employment and Housing may be called at 1-408-291-7352.
