

Observation Log

The applicant must observe at least one Registered Dental Hygienist (RDH) that has an active license in the state of California for at least 10 hours. The applicant must observe the following two procedures: Scaling and root planing on a periodontally involved patient and Prophylaxis. The applicant may complete the hours over a span of a few days and/or may observe multiple RDHs. Previous applicants can resubmit a previous Observation Sheet. Please keep a copy for your records.
